

Specializing in Excavating, Asphalt Paving, Milling and Heavy Highway

NOTICE – 3/20/2023

For The

Wayne County Western Regional Sanitary Sewer Force Main Project

Work has begun on the Marion to Palmyra Branch of the above project (see map on other side). Preliminary work to setup the Project will be occurring over the next several weeks with minimal disruptions.

Major installation work will begin on April 10, 2023 at the Marion Wastewater Treatment Plant and proceed south to the New Wastewater Treatment Plant being built in Palmyra. Work on this branch is anticipated to take 2 to 3 months. **There will be access through the work zones, but disruptions and changes in traffic patterns should be expected. Driveways will need to be temporarily closed for a short period as pipe is installed across them. Additional notice will be given 1 to 2 days prior to work beginning in affected areas. Work hours will be between 6:00 am & 4:00 pm weekdays. Saturday and after hour work is expected for special situations on a limited basis.**

Currently, there are no provisions for connections along the route.

Should you have questions or concerns please contact:

Mark Vitale, Project Manager – (585) 330-0903 or mvitale@villagerci.com

Additional Information is on the Project Website: wcwsaregionalwwtp.org

Thank You for your patience, understanding, and cooperation as we make these improvements.
