NOTICE – 8/03/2023

For The

Wayne County Western Regional Sanitary Sewer Force Main Project

Rt. 350 between Barnes Road & Eddy Road - Macedon

Pipe installation along the West Side of Rt. 350 between Barnes Road & Eddy Road is scheduled to begin on Monday 8/07/2023. Rt. 350 will be reduced to a single lane with flaggers during working hours.

There will be access through the work zones, but disruptions and delays should be expected. Emergency vehicles will have priority access. West Side Driveways will be temporarily closed for a short period as pipe is installed across them. Individual notice will be given prior to closing your driveway. Access will be restored the same day. Final restoration of lawns & driveways will be at a later date. Work hours are between 6:00 am & 4:00 pm weekdays. The anticipated duration for this section is 1 week for Open Cut & an additional 3 weeks for the Drilling, weather permitting.

Currently, there are no provisions for connections along the route.
